# Fairy Tales

Fairy Tales are folktales that have good and bad characters struggling with a problem. The story must include magic to be a fairy tale. They have happy endings.

## Design a raft for The Three Billy Goat's Gruff

Read the story or retell it in your own words. Present the problem to your child/ren – the Three Billy Goat's Gruff need you to design them a raft to cross the stream so they don't have to cross the bridge. What materials will you use?

### Materials!

- Kitchen sponge
- Corks
- Glue/Double sided tape
- Paper
- Kitchen roll
- Lolly Sticks
- Toy Goat (we used our Playmobil Animals.)
- Washing up bowl (rectangular type ...or sink/bath!)

I think that \_\_\_\_\_ will be the best material because

\_\_\_\_\_

I think that \_\_\_\_\_ will sink.

### Method!

Using the different materials and a washing up bowl, or a sink, carry out your investigation.
