A stack of several old, worn books with various colored covers (green, brown, red) is shown. The top book is open, revealing its pages. The background is a soft-focus green, suggesting foliage or a garden. A semi-transparent white rectangular box is overlaid on the open book, containing the main title text.

Lower Grades Library Resources and Activities

Week of April 27-May 1, 2020

Dear Students and Parents,

Welcome to the Drought School Library at-home library activities and resource list. Each week I compile different stories, songs, activities and websites that you and your families might enjoy. You are NOT expected to do them all. I am giving you lots of options to choose from depending on your interests, your time, and your resources. Feel free to look at posts from previous weeks, too. My hope is you will find activities and stories that will make your time at home a little more fun.

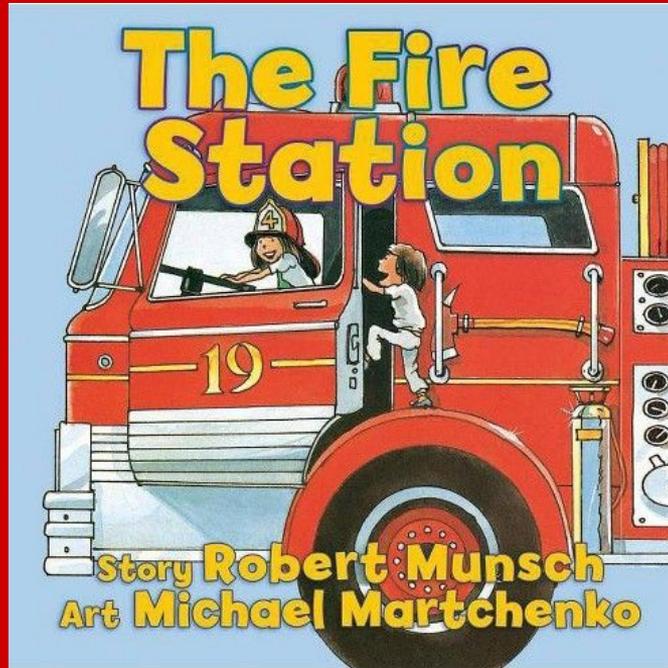

If you ever want to share a photo of your projects, let me know how you are doing, or have a question, just contact me at henderson@droughtschool.net. I check my emails every day. I miss you and hope to see you soon!
